

Anthony Crow Jerry Farro Scholarship

Anthony Crow was Born January 19, 2007, son of Rebecca and James Crow and the older brother of James (Mito) Crow. He is a senior at Aberdeen High School studying Foods and Art, taking Food and Hospitality Management, Food and Hospitality Practicum, AP 3D Design and AP Drawing.

Anthony has a love for art like no other, he enjoys being able to be creative and create art pieces for the world to see. He enjoys his school's art show being able to see others art works as inspiration and show off his own. Last year he placed 3rd in 3D Design for his Dragon Koi Fish cardboard sculpture. This year he is aiming for first place in the categories of 3D design, Drawing and Best in show. With it being his last year of high school he will have a senior booth to show off all his works this year, claiming "it's all or nothing". Anthony hopes to pursue a college degree in fine arts by spending two years at Harford Community College then transferring to an Art school. He hasn't decided which college to go to yet and is still looking.

Anthony only started bowling in a league in 2022- 2023 and has shown great improvement since. Anthony started out with an average of 73 pins and ended his first year of league with an average of 102 pins, for the second year of youth league Anthony started out with an average of 107 pins and ended with an average of 140 pins. Between youth leagues Anthony bowled in sport to learn to bowl on different patterns. He also participated in several tournaments.

Anthony has just recovered from a broken foot and is coming back hitting hard starting youth league with an average of 156. In practice he bowled a 227 game. His determination helps him strive to be better and practice to win. When he finishes youth league, he is hoping to join an adult league and continue bowling.
